Our Impact

Last year, we answered 6,000+ calls from people reaching out for help. Each caller speaks to a master's-level social worker who completes an individual assessment, allowing us to determine the caller's needs and create a personalized plan of care.

Here are a few other ways that we helped in 2023 -2024:

250,000+

hours of in-home care for more than 200 Holocaust survivors

30,000+

counseling and psychiatry sessions to assist children and adults during challenging times

10,000+

people who call our C.A.L.L. Service (Community Access Life Line) for assistance

1,500+

fresh, hot holiday meals delivered to seniors, individuals and families
